Since 1960, the American Police Hall of Fame & Museum and its supporting agencies have honored and supported the families of fallen officers, as well as those disabled in the line of duty. Law enforcement families count on our agencies for emergency funds, scholarships, grief counseling, birthday and holiday gifts for children ages 0-18, summer camp funding and more. Your brick purchase will help build a national monument known as *The U.S. Law Enforcement Eternal Flame*, which will help draw attention to our compassionate programs for law enforcement families. Reaching over 100 feet into the sky, the Flame monument will reflect the service and sacrifice of America's heroes in blue -- a reflection made more meaningful by the "Walk of Heroes" which will recognize and honor heroes of the badge from across America.
